Local Boy Is Jap Prisoner

War Department Reveals
Cpl. Geo. Brasuel Is Now
Jap Prisoner in Philippines

CORPORAL GEORGE BRASUEL

Mrs. Hattie Brasuel received a telegram Friday that her son, Cpl. George A. Brasuel was a prisoner of the Japs in the Philippines. This is the first word from Cpl. Brasuel since the letter of March 5 which Mrs. Brasuel received in August.

Cpl. Brasuel was in the 31st Infantry. He joined the army two years ago and 31st was shipped to the Philippines in March of 1940.

No details were given by the War Department, except the mere announcement that he was a prisoner.

The word that the young man was alive after the battles of the Philippines and Bataan was cheerful news to members of the family and to the many friends of Cpl. Brasuel.

Report Is Made on Improvements at the Cemetery

At the meeting of the Dreamland Cemetery Association Saturday, a report of the executive committee reviewed the work of the past year. A map of the cemetery was completed and adopted, which will be of great use in the location of lots. This map has been approved by the Commissioners Court.

Much progress was made in the development plan for the Cemetery through the clean-up campaign, and the repair of buildings and the wells. Committee members made trips to neighboring towns to study cemetery arrangements and care.

The financial report revealed a balance of \$119.01 at the start of the year. Receipts were \$980.18.

Expenses for the year were \$782.13, of which amount \$652 was paid out for labor on the cemetery and \$60 for a detailed map of the cemetery. There was a cash balance of \$297.06 on hand at the meeting Saturday.

Lt. Don Savage Is Promoted 1st Lieut.

Lieut. Don Savage has received a promotion to First Lieutenant after a six-week course at Miami Beach. He is with the Army Air Corps, Air Photography Instructional Staff at Lowry Field, Colorado.

Lt. Savage is the son of Mr. and Mrs. F. E. Savage of this city.

Mrs. Platt Has Trees to Give Away Free

Mrs. Lena Platt states that she has a large number of trees which she will be glad to give away to citizens of Canyon who wish to beautify their homes.

There are several varieties of shade trees and some fruit trees which Mrs. Platt would like to have removed from her lots.

BROTHER IS PRISONER

Mrs. Marion Higdon has received word from the War Department that her brother, Sgt. Glenn R. Haynes, Coast Artillery Corps, is a prisoner of the Japs in the Philippines.

Sgt. Haynes is the son of Mr. and Mrs. W. R. Haynes of Bard, N. M., and is known to many Canyon people.

Miss Louise Hardaway of Dumas spent last week with her sister, Mrs. Elwood Shero. Her mother, Mrs. W. H. Hardaway spent Sunday here.

No Changes Are Made in County

Salaries Remain the Same
and All Employees Renamed
Friday by Commissioners

Officers of Randall county made new bonds and took the oath of office Friday.

The only change in the official family for the coming year was in the office of County Attorney. C. R. Flesher succeeded J. D. Barker, who was not a candidate after filling out an unexpired term.

All county salaries were continued the same as has been paid in the past, and all employees of the county were continued for the coming term.

A change was made in the value of cows which will be assessed for 1943 taxes. The price for taxation was increased from \$20 to \$25 per head.

T. J. Prichard Is Oldest Man in Randall County

T. J. Prichard is probably the oldest person living in Randall county. He reached his 91st birthday on Nov. 5. In spite of his advanced age he is enjoying good health. He comes down town every day after his mail and to look after business affairs.

Mrs. Prichard will be 85 years of age in April, and likewise is enjoying very good health.

Mr. and Mrs. Prichard have four sons living in Canyon, R. E. Ernest, Houston and Emmett. They have two other living sons, Solon at Phoenix, Ariz., and Guthrie at Roby. Two sons are dead.

The family moved to Canyon in 1919 and have always taken an active interest in the affairs of the community.

WPA to Furnish Men For County Wide Scrap Drive

Five men have been assigned by WPA to a county-wide scrap drive.

A county-wide search for scrap metal and rubber will be made by this group with the view of bringing in all of the available material to be found in Randall county.

Scrap has been handled in Canyon by the Consumers Fuel Association. It is processed and shipped by A. A. Kirkpatrick, who has forwarded five carloads to the steel mills.

Every section of the county will be covered by this drive in order to bring in all of the scrap metal which has not been hauled by the farmers to Salvage Depot.

Food Stamps Will Come to End on First of March

No more food stamps will be available after the first of March.

Food stamps were made possible for those on WPA and those who received direct relief while there was a surplus of food products. Now that there is no surplus of commodities, stamps will no longer be issued.

Food stamps have been redeemed by grocery stores. The system was of great benefit to scores of local people.

C. R. Burrow returned Sunday from Belton where he and Mrs. Burrow accompanied their daughter, Mrs. R. A. Neblett and children. Mrs. Burrow will not return for a few days. Capt. Neblett is highly pleased with his work in the Medical Corps of Camp Hood but believes there is no place like Canyon.

Must Not Tell Troop Movement

Censorship Regulations Are Outlined to Protect the Lives of Fighting Units

On battle fronts every day men risk their lives to discover the location and strength of the military units of the enemy. Yet at home, too many of us are presenting the enemy with information of the same military value, the Office of Censorship says in a statement.

This is the information which newspapers and individuals are asked not to tell the enemy:

DO NOT TELL the names of ships upon which sailors serve.

DO NOT TELL the troop units in which soldiers serve overseas.

There is no objection to revealing that Pvt. John Jones is in Australia or that Seaman Tom Brown saw action in the Atlantic, but there is military information which endangers the lives of American fighting men in stating that Pvt. John Jones, "Company C, 600 Infantry," is in Australia, or Seaman Tom Brown, "Aboard the U. S. S. Wisconsin," is in the Atlantic.

The Office of Censor says: "We ask editors not to publish these troop identifications, and we ask parents and relatives not to reveal them. Don't give the enemy anything that may lengthen the war!"

Nutrition Class Will Be Started During February

A course in Nutrition will be started in Canyon in February under the auspices of the Nutritional Committee of Randall County to teach the women of Canyon how to serve their families the nutritional foods needed in this wartime emergency.

Miss Margaret Barrett, Head of the Home Economics Department of West Texas State, will teach the classes which will be held in the afternoon. If there is enough demand one class may be held in the evening.

Anyone interested in this course should contact Mrs. Robert P. Jarrett, Jr., Miss Frances Wilroy or Mrs. Frank R. Phillips, who is chairman of the Nutritional Committee.

Lieut. Glenn Milner Home From Alaska

Lieut. Glenn Milner is home on a 15-day leave. He is an officer in the Air Corps and his unit has just arrived from Alaska where it was on duty for four months.

Lieut. Milner's unit was engaged in combat with the enemy while in Alaska.

He is the son of Mr. and Mrs. Dallas Milner. He received his wings on March 16, 1942.

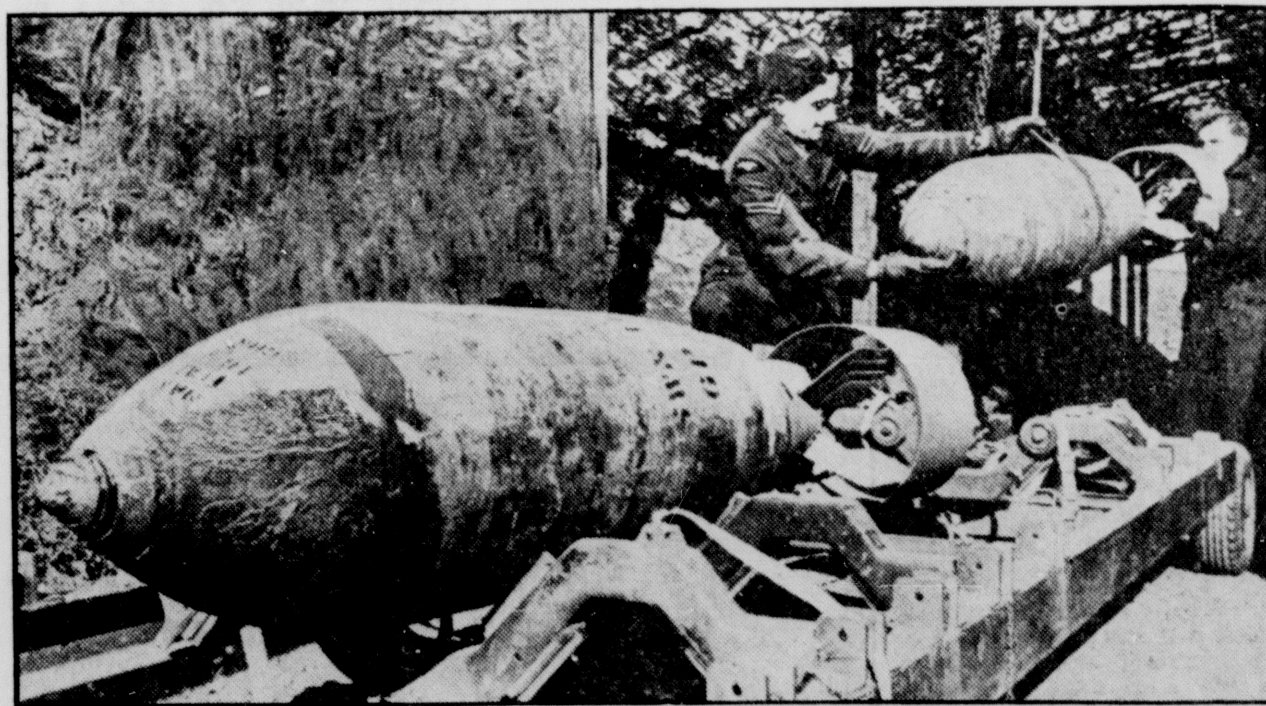

Rufus Johnson Home For Two Days Leave

Rufus Johnson, Boatman Mate 1st Class, was home for two days this week to visit at the home of his parents, Mr. and Mrs. Jim Johnson. This is the first time in three years that he has been able to come home from his duties in the navy.

He is located at Mayport, Florida.

Mr. and Mrs. Roy N. Byrd and Walton leave Friday for Fort Riley, Kansas. They are taking the car of Roy N. Byrd, Jr., to him. He is in training at Fort Riley and was recently joined by his wife.

AAA Group Plans Census of Farms

Food For Victory Plan Is Outlined Tuesday as New Year Gets Underway

The work of organizing the farm program for 1943 in Randall county got underway Tuesday afternoon in the County Agent's office with a meeting of all Triple A committee-men. The meeting was called for a general discussion of the food production job ahead and the community committee's part and responsibility in carrying out the work.

The program for 1943 was outlined to the committeemen by R. B. Gist, Chairman of the USDA War Board. Mr. Gist was assisted by County Agent W. H. Upchurch. It was pointed out to the committeemen that the entire emphasis in the 1943 farm program is on increased production of food and feed crops which are needed with no increase in acreage of crops of which a surplus is on hand, such as, wheat and short staple cotton. Every operator of a farm will be asked to execute a farm plan sheet and farm classification sheet which will be used as an inventory of the needs of agriculture for manpower, machinery, transportation and essential supplies, as well as, a basis for estimating probable food supplies for the coming year.

The work of executing these plan sheets is expected to get under way about February 1. Details of organization for the sign up will be handled by the County War Board and the County Triple A committee.

The meeting Tuesday afternoon was attended by all of the 35 farmer committeemen and alternates who were elected in November to represent the seven Triple A community divisions of the county. This 100% attendance at the first meeting of the year was gratifying to the County War Board and those in charge of the work. It also indicates that Randall county farmers appreciate the seriousness of the war and the job ahead.

R. H. Wright, president of the First National Bank, talked to the farm committeemen regarding the War Bond pledges for 1943 and was assured of the co-operation of the group in the bond buying program.

22 Women Are Given Nursing Course Cards

Twenty-two women of Canyon have received their Home Nursing Cards as recognition of their work in the Home Nursing Classes which started November 9 and ended December 16.

Cards were given to Mrs. Robert P. Jarrett, Jr., Mrs. John C. Robinson, Mrs. Lavert Ament, Jr., Mrs. Hugh Currie, Mrs. D. A. Prichard, Mrs. Houston Prichard, Mrs. L. L. Gore, Mrs. C. A. Murray, Mrs. Carl Schroeder, Mrs. L. A. Murphy, Mrs. Ruby Cockron, Mrs. Elsie Higdon, Mrs. Mary B. Weeks, Mrs. W. T. Davis, Mrs. Thelma LaFon, Mrs. Ruth Hill, Mrs. Robbie O'Donald, Mrs. Leona Henry, Mrs. Margaret Ziegler, Mrs. Carol C. Whippo, Mrs. Clyde W. Warwick, and Miss Dorothy Warwick.

Classes met two times a week for six weeks with Mrs. John Guthrie, Jr., as the Red Cross Nurse. Many who started the course had to discontinue because of illness and transportation difficulties.

No Shoe Rationing Is Report of OPA

OPA has announced that there will be no rationing of shoes.

Dealers have announced there is a scarcity of shoes and manufacturers have advised dealers that many kinds of shoes would be taken from the market.

Mrs. Thompson Dies In Alvarado, Texas

Mrs. A. H. Thompson, aunt of Mrs. M. S. Bishir, passed away at her home in Alvarado, Texas, recently. Mr. and Mrs. Thompson were residents of Canyon for many years. She was a teacher in the public schools here.

Mr. and Mrs. T. S. Stevenson have received word from their son, Staff Sergeant T. S. Stevenson, Jr., that he has been transferred from Las Vegas, Nev., to Greenville, N. C., where he will attend gunnery school.

Earl Sanders has been discharged from the army because of his hearing. He has resumed his position with the Santa Fe as pumper.

SHE KEEPS SKY CLEAR—Miss Mildred Blackney, North Weymouth, Mass., has proven that she can handle an anti-aircraft gun as a Civil Service woman guard at the city's U. S. Naval Air Station. She'll greet suspicious planes with plenty of hot lead.

Hardin-Simmons Basketball Team Will Meet Buffs Friday-Saturday

Colorful Team Will Play First Border Conference Games at Burton Gym

The first Border Conference games of the Buffalo basketball season will be played Friday and Saturday nights at Burton gym.

Hardin-Simmons will come to meet the Buffs on that date.

The Buff coaches have not seen the Cowboys in action this year, and have very little information as to the strength of the team. Hardin-Simmons always put out a colorful team, and while the Buffs have won a large majority of the games with this college, there is always intense rivalry.

The Buffs will go to Albuquerque to play the New Mexico Lobos on January 11-12.

Tech Red Raiders will play the Buffs at Burton gym on Jan. 15-16.

The Buffs will then make the long anticipated trip to Buffalo, N. Y., Madison Square Garden in New York City and Philadelphia. The Buffs made two trips to the east last year, and while not winning in New York, the team made an enviable record and secured much publicity.

Coach Gus Miller is working daily with the team, and believes that the players are improved greatly after the trip to Oklahoma City where they won one of their three games.

Mrs. A. D. Nickson Died Tuesday; Funeral Held Yesterday

Mrs. Maude Carminia Nickson, 72, died Tuesday morning at 4:30 o'clock at the family home. She had been seriously ill for several weeks.

The funeral was held yesterday afternoon at 3 o'clock at the First Christian Church conducted by Rev. Joseph Findley.

Pall bearers were Ernest Prichard, A. H. Prichard, B. F. Oatis, Chas. Harter, Bill Summar and Virgil Risner. Interment was in Dreamland Cemetery.

The family has lived in Canyon for 35 years, and Mrs. Nickson was one of the well known pioneers of the town.

Surviving are the husband, A. D. Nickson, and one daughter, Mrs. Charles E. Mann of Happy; two sisters, Mrs. Dessie Renfro of West Plains, Mo., and Mrs. A. E. Hedley of Fort Dodge, La.; two brothers, S. L. Sutton of Grand Ridge, Ill., and J. W. Sutton of Ottawa, Ill.

MRS. USERY IMPROVING

Reports from St. Anthony's hospital in Amarillo last night were that Mrs. Dan K. Usery is steadily improving. She was rushed there last Thursday after a relapse, and placed under an oxygen tent.

C. O. Cooper and daughter, Mrs. T. E. Allen, went to Temple last week to bring Miss Mary Lee Cooper home from the hospital. Miss Cooper underwent an operation and will be able to continue teaching in Happy in two weeks.

Staff Sgt. Woodrow Hicks has returned to the Waco Aviation Field after spending 10 days at home on furlough.

Jeff D. Key Died Last Night at Family Home

JEFF D. KEY
J. D. Key, 81, died last night at the family home after an illness of several months.

The funeral will be held Friday afternoon at 2:30 o'clock at the Baptist Church in charge of Dr. Roy L. Johnson, pastor.

Interment will be in Dreamland Cemetery directed by the Griggs-Thompson Funeral Home.

Mr. Key was born Sept. 1, 1861, in Arkansas. The family moved to Texas when he was 8 years old.

Mr. and Mrs. Key were married at Stamford on March 26, 1889. They celebrated their Golden Wedding in 1939. They moved to the Plains in 1890 and lived for several years in Swisher county where Mr. Key engaged in stock farming. The family has lived in Randall county for 32 years.

Survivors, besides Mrs. Key, include three sons, Leslie Key, Canyon; Alton Key, Burbank, Cal., and Everett Key, Lubbock; two daughters, Mrs. C. M. Yager, El Paso, and Mrs. W. H. Bridges, Abilene; four brothers, Harry Key, Ponca City, Okla.; Tom and Dick Key, Chekasha, Okla., and Penn Key, Byers, Texas, and seven grandchildren.

Stolen Car Recovered Yesterday at Matador

J. J. Walker's car was stolen Monday night as it stood in front of his store. Sheriff M. E. Cantrell broadcast the theft, and the car was located near Matador.

Sheriff Cantrell and Hosea Foster went after the car yesterday and hope to bring home the car and boys involved in the theft.

Mr. and Mrs. Ed Brooks of Colorado City, Texas, spent Sunday in Canyon. E. M. Brooks returned to Colorado City with them.

"I pledge allegiance to the
Flag of the United States
of America, and to the
Republic for which it
stands, one nation in-
divisible, with liberty and
justice for all."

President Roosevelt and Winston Churchill issued the famous Atlan-
tic agreement which sought to di-
rect the thinking of the world to
the problems which will confront
the world when Hitler and his gang
of bandits are whipped. A lot of
people could not see the necessity
of thinking of peace at a time when
the United Nations were being
whipped on every front. But that
time has changed. This is a new
year, when the tide of battle is
changing. Wendell Willkie, leader
of the Republican party, sees the
situation just like the President and
Churchill. In 1918-19 the Allies
threw away a hard earned victory
by refusing to accept the responsi-
bilities of victory. Political leaders
today realize that the same mis-
take must not be made again. The
United Nations will win—in 1943,
or 1944, or 1945, simply because we
are on the right side. But winning
the war will be entirely futile if
again we throw away the peace, and
allow the bandit nations to imme-
diately prepare for another war. It
is more and more apparent that
Germany, Italy and Japan must be
looked upon as outlaws, and treated
as outlaws after this war is over.
These nations may again assume
places of respectability among the
nations of the world, but some one
is going to be forced to keep a sharp
eye on their every action for many
years to come. There are signs
growing in the United States that
the same condition may arise that
did in 1918-19 when Congress and
the people turned down Woodrow
Wilson's League of Nations and al-
lowed Hitler to rebuild the war
machine in Germany. The Ameri-
can people now realize the mistake
which we made in rejecting Wilson's
plan, but will we again become so
engrossed over domestic problems
that we will do the same thing with
Roosevelt's peace plan?

President J. A. Hill has added his

the liquor problem as affecting the
men under arms. A few weeks back
there was considerable criticism and
The News heard many Canyon citi-
zens express alarm over the liquor
situation. Naturally the liquor ques-
tion will never be settled so long as
liquor is obtainable. Very few are
bold enough to argue that liquor has
done any person any good, and so
long as a majority of our citizens
approve of liquor, there is no chance
to outlaw it. Let it be remembered
that this new army and navy is very
much of a civilian fighting force.
A large part of the officers are men
fresh from civilian life. Practically
all of our fighting force is composed
of boys and men, no better or no
worse than the 550 who have gone
from Randall county. Those boys
are about the same as they were
before they went into uniform. If
they used liquor in excess in Can-
yon, chances are they will use it
again if the opportunity arises.
However, the new system of hand-
ling men, and the strict supervision
of the Military Police is having a
most desirable effect. In a recent
conversation with an officer in the
Military Police we were amazed at
the change which had taken place
since 1917-18 in the duties of this
organization. There is nothing good
about war, and certainly there is
little of spiritual tendency in train-
ing men as fighters. But at least
we can be charitable to the boys
who are offering their lives for our
country and give them every en-
couragement possible.

Senator O'Daniel has released a
blast against the administration,
especially the rationing program.
Opponents of the Senator tried to
tell the people of Texas that O'Dan-
iel was an isolationist and was
opposed to the administration. But
a majority of the voters failed to
listen. His latest blast against the
administration proves that his de-
claration of support in the second
primary last summer was for the
purpose of getting elected for the
full term in the Senate. Texans
who have visited with O'Daniel in
Washington recently reveal that he
is bitter in his denunciation of the
policies of the administration. You
may expect to see O'Daniel lined
up with the Republicans and op-
ponent Democrats of the adminis-
tration in every vote taken in Con-
gress in spite of his declared loyalty
last August. While The News
relishes the attempts of O'Daniel
to oust needless waste and unnec-
essary bureaus in Washington, we
are fearful that he will carry his
opposition to extremes and will
hamper the war efforts. Keep your
eye on the votes of the Texas Jun-
ior Senator during the new session
of Congress.

Paying an income tax should be
a pleasure to any American. They
should do this with the feeling of
making a very small contribution
to the war in comparison to the
contribution of our fighting men,
who are called upon to offer their
lives. While the rate of the tax
has been increased for 1942, it is
not to be compared with the income
tax rates of other nations engaged
in the war. The American people
are the best paid and the best fed
and clothed people on earth. To
make a decent living, with suffi-
cient to eat and clothes for comfort
is all that any reasonable person
should expect during this terrible
war. It was unfortunate that the
Victory Tax was not applied during
the past year when big wages were
being drawn by millions engaged in
war construction. Perhaps most of
those so engaged are now in war
production plants and are drawing
sufficient wages to pay the tax on
the big incomes which were lavishly
handed out last year. No one
should profit by war, but those who
do profit should be happy to make
their contribution by paying their
income taxes.

The Russian people are amazing
the world in their bitter fight
against the great Hitler war ma-
chine. No praise is too great for
Stalin and the people of Russia,
whom we once scorned—not too
many moons ago. We become very
enthusiastic over the daily reports
of victory and praise the Russians.
That is fine, but a study of the map
reveals that Russia has not regained
10% of the territory which Hitler
has taken from Russia. Our Allies
have a long, long way to go, and it
must be remembered that Hitler has
taken the precaution to strongly
fortify much of the territory which

OUR DEMOCRACY — by Mat

and in the air.

We will work
for full production
in factories, fields
and offices.

We will gladly

he captured. This is no time for
Americans to let down on the war
effort or feel that victory is within
sight. The only time that you may
be assured that peace is in sight is
when the United Nations are knock-
ing at Germany's door, and the
German people are beginning to
suffer in the same proportion that
they have caused other nations to
suffer.

Congress has opened the new ses-
sion. The Republicans made greater
gains in members in the November
election than at any time since
President Roosevelt became chief
executive. It is freely predicted
that there will be a cat and dog
fight between the President and
Congress over domestic problems.
If the fight stops there, well and
good, as the administration has
made plenty of mistakes which
need correcting. On the foreign
front, all Americans agree that the
policy of the administration has
been good, and that the main prob-
lem of America is to win the war
before fighting over domestic mis-
takes. The Republicans will make
a serious mistake if they attempt
to carry their fight against the Pres-
ident in the conduct of the war,
thereby prolonging the slaughter of
men and waste of materials longer
than would otherwise be necessary.

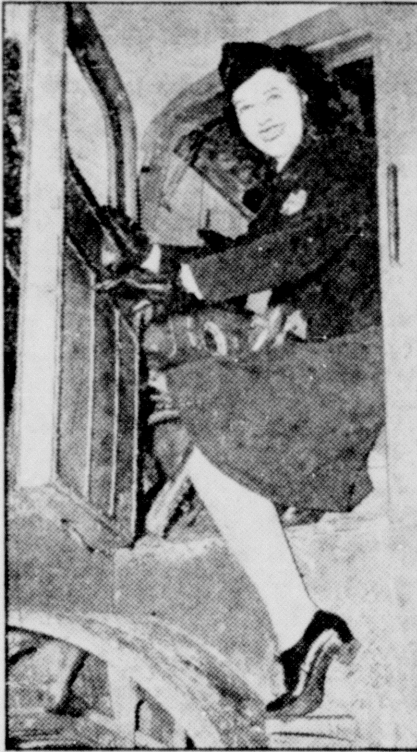

The fact that WPA has seen fit
to set up a county-wide scrap cam-
paign project indicates the serious
need for more scrap metal and
rubber. Only five men will be em-
ployed on this project, but a thor-
ough search will be made to gather
all of the available scrap. That
this material is needed more today
than ever before is revealed from
the fact that steel furnaces are not
running to capacity, and production
of many vital war machines has
been hampered by the lack of rub-
ber. The farmers of Randall county
have done a fine job in turning in
this scrap material, but now the
search is on to see that every pound
of metal and rubber really gets to
the scrap pile.

This government red tape has
been in the hair of truck line op-
erators for a long time. While ra-

tioning has added many details to
the forms which must be kept, we
are told that for several years truck
lines have been obliged to keep
detailed records of operation. The
government required this and there
was a heavy penalty for failure to
keep the records. But the joke is
that no truck operator has ever
been required to send in these re-
ports, and no inspector has ever
looked at the reports. The opera-
tors have had to spend thousands
of valuable hours on reports which
were entirely ignored. People lose
respect for government when gov-
ernment is unfair to the governed.

College Males To Get Orders

Dates of Movement to Active Service Uncertain—Men May Remain Here

Military reservists of West Texas State, who include most of the Buffalo athletes, are expected to be called to active military duty as the Army makes training available to them during the Spring Semester. It is not believed that all of them will be called at the same time.

The War Department has announced that its "Army Plan" for receiving the reservists has been completed. The first calls are expected to be received here two weeks after the Spring Semester begins. Air Corps reservists, however, are not affected by this announcement, although all of them are subject to "call when needed."

"Stay in college until called," is the recommendation of the War Department. West Texas State will refund all fees of reservists called into active service before March 27, mid-way of the next semester.

No announcement has come from the Navy concerning Navy and Marine Corps reservists.

The War Department has announced, also, that young men of the 18-19 age group, now finishing high schools, should have no hesitation about entering college immediately. Even should these be drafted, many will be left in colleges for specialized training. And occupational deferments for one or more years will be granted future doctors, dentists, and veterinarians under certain conditions.

The military services will take over a few colleges which might not otherwise survive the war period, it has been announced, but will use other institutions only by sending enlisted men to them for special training. The War Department will select the courses and pay the cost of instruction and maintenance. West Texas State has prepared studies showing how it may offer such training to groups of soldiers, sailors, or members of the women's auxiliaries.

Students who will not be called until the end of the first full semester, or substantially corresponding period that begins in 1943 are listed below:

1. All medical students (including dental and veterinary) who are members of the Enlisted Reserve Corps.

2. Pre-medical students in the Enlisted Reserve Corps who are taking approved courses.

3. Medical and pre-medical students not in the Reserve Corps, taking approved courses, is inducted under the Selective Service Act prior to the end of the first full semester of this session.

4. Junior (third year) students in the Reserves who are pursuing technical engineering courses.

5. Junior (third year) students who are pursuing approved technical courses and who are not in the Enlisted Reserves Corps.

Probably this call will take about 100 students out of West Texas State and it will take close to 100,000 students from the colleges and universities throughout the United States.

Pre-Med. Work Is Shortened

Two-Year Course Is Offered Here to Ready Future Physicians

New opportunities for students aspiring to be medical doctors are provided in a new plan of pre-medical education announced by the School of Medicine of the University of Texas. Because of the war emergency, applicants for admission may complete their pre-medical training within two years.

Students of West Texas State College have been very successful in seeking admission to the Medical Branch and this institution has for several years stressed its pre-medical courses.

Admission requirements to the School of Medicine include fifteen units from an accredited high school and a minimum of ninety semester hours from a college of arts and sciences such as West Texas State, with the following prescribed courses: Six semester hours in English, eight semester hours in biology and zoology, including four semester hours in laboratory work; eight semester hours in physics, including two semester hours in inorganic chemistry; including four semester hours in laboratory work; six semester hours of organic chemistry, including two semester hours of laboratory work; and six semester hours in quantitative chemical analysis. It is recommended by the Medical Branch that students spend at least one summer in college.

Mrs. Oma Wilson Ford, graduate of West Texas State College in 1931, has been named assistant director of the Women's Physical Education Department in the college.

Since her graduation, Mrs. Ford has been an instructor in swimming at McKinney, Texas, and has done summer work in women's physical education at Dallas.

Mrs. Ford comes here to replace Miss Hazel Evans now in Washington, D. C.

MISS FLEMING HEADS RANDALL H. D. CLUB

The Randall County Home Demonstration Unit met December 30 in the home of Miss Elizabeth Cox for the purpose of electing officers and completing plans for the year's work.

Miss Mary K. Fleming was elected as president with Mrs. W. F. Haggard as secretary-treasurer.

The following committees were appointed: Consumer education with Miss Cox as chairman; Salvage committee to work in gathering silk and nylon hose and small metal containers with Miss Lilla Clark as chairman; Nutrition committees under the direction of Mrs. Frank R. Phillips.

An exhibit has been planned by Miss Cox and Miss Frances Wilroy to be displayed in Miss Wilroy's office in February.

Others present were Misses Margaret Barrett, Rhita Jean Sullivan and Gladys Armstrong. The next meeting will be held at the home of Mrs. Frank Phillips Jan. 12 at 8 o'clock.

ANNIE PEARL ROBERTS AND CPL. LESTER ADAMS WED

Miss Annie Pearl Roberts and Corporal Lester D. Adams were united in marriage in a double ring ceremony Saturday evening, December 26, in the home of Rev. and Mrs. George Dale of Tahoka with Rev. Dale officiating.

Mrs. Lloyd Roberts of Clovis, sister-in-law of the bride, was matron of honor. Earl Adams served as best man. Mrs. Roberts wore a white wool suit with green and white trim and white accessories. Her corsage was of white carnations.

The bride chose an aqua blue dress with fuchsia and navy blue accessories. Her corsage was a lovely orchid. For something old, she wore diamond earrings belonging to Mrs. Roberts.

Both Corporal and Mrs. Adams are graduates of Tahoka High School. Mrs. Adams attended West Texas State College for three years. While here, she was employed by Neblett Hospital. She is teaching in the Garnolia Public School system.

The bridegroom is a graduate of John Tarleton College at Stephenville. He is stationed at the Lubbock Army Flying School.

Mrs. Lee Foster and Sally returned Friday from Childress where they spent Christmas.

West Texas State Co-eds Attend U.S.O. Dances

Sixty West Texas State girls were guests at the USO dance in Amarillo Friday night and approximately 12 more girls attended the dance Saturday night. A bus met the girls at Cousins Hall at 8 o'clock and went to the Amarillo Municipal Auditorium where the dance was held. Mrs. Ann Wofford, who with Miss Lee Sullivan went with the girls as chaperon, said the affair was very successful and that both the boys and girls seemed to enjoy it. The W. T. co-eds returned to Canyon about midnight.

The dances will be held twice every week and are sponsored by the Victory Command Girls. About 120 girls from W. T. are wanted in groups of 60 to attend.

Girls interested in attending the dances should see Mrs. Geraldine Green in her office.

UMBARGER H. D. CLUB TO MEET THURSDAY

The Umbarger Home Demonstration Club will meet in the home of Mrs. Frank Begert Thursday, Jan. 14. Miss Frances Wilroy will be present and the yearbooks will be distributed.

"THE NAVY AND THE NATION" LATEST MARCH OF TIME

This month's March of Time is entitled, "The Navy and the Nation." It tells the story of the U. S. Navy and the job it is doing to deliver the fighting goods to the fighting men who use them. And it tells, as well, the story of American men and women in war industry, doing their part of the Navy's job for victory.

Opening scenes show the Navy carrying out its assignment, and give a vivid idea of the actual life of the sailors who man our fleet. A convoy steams slowly across a trackless ocean, alert for lurking subs. Guarding it are the sheep dogs of the Navy—the fast little destroyers—"tin cans"—boiling through slapping waves to drop their messages of death on the U-boats below.

The scene shifts to the Navy Department at Washington, where high Naval officials are seen debating strategy with Secretary which follow. Moviegoers are shown Frank Knox. In the sequences that all this activity at sea is not just hap-hazard, but the fruit of ceaseless and vigilant planning. Not only the location of our own ships, but the position and probable course of packs of enemy submarines are charted with surprising accuracy.

A highlight of the film are actual battle scenes, taken from a convoy of a successful attack on a U-boat. The film concludes with the ultimate objective of all this activity—the successful delivery of the goods of war at a palm-studded outpost, where they will serve their destined end.

Also on the same program is the new comedy picture "The Road to Morocco," starring Bing Crosby, Bob Hope, and Dorothy Lamour. The latest news direct from New York and a Donald Duck cartoon, "Donald Gets Drafted." All at the Olympic Saturday midnight, Sunday, and Monday.

Mrs. Ralph Harter and children and Miss Velma Evers of Amarillo spent Monday and Tuesday in the parental E. J. Evers home.

SOFT LIFE FOR VICTORIA—Life in the jungle was tough for her ancestors, but Victoria, 3½-month-old chimpanzee at the San Francisco Zoo, is enjoying all the advantages of civilization. She's being raised in the home of the monkey keeper, and receives devoted care (top). It didn't take Victoria long to get accustomed to soft beds (center) and she enjoys her special formula (bottom) served in nursing bottle.

PATRIOTIC PUP—This patriotic spaniel knows his country needs rubber, so he's doing his bit by retrieving golf balls at the Auckland Golf Course, in New Zealand. So far his score, in a few short weeks, is 300 balls retrieved.

Buffaloes Named Co-Captains Football To Go on During 1943

**Annual Banquet Is Held
Tuesday Night and Plans
Are Made for the Future**

Mack Winter, Junior from Perryton, and Buford Emler, Junior from Wheeler, were elected co-captains of the 1943 Buffalo football team Tuesday night when the 1942 squad held the annual banquet at the Methodist Church.

Dr. D. A. Shirley, chairman of the Athletic Committee was toast-master.

Visitors introduced were: President J. A. Hill, Olin E. Hinkle, Clyde Warwick, Ben Collins, Wes Kleinschmidt, Virgil Henson, Putt Powell and Harry Hoare of the Amarillo News, and members of the Athletic Committee.

Assistant Coach W. W. Nicklaus introduced members of the squad and highly praised the fine spirit of the team this year.

Dr. Hill expressed his appreciation of the fine record which was made by the team last season. At the beginning of the season sports writers predicted that the Buffs would be the Border Conference cellar, stated Dr. Hill.

The coaches were praised as men of character who were doing a fine job. They started the season under

expressed their deep appreciation of the co-operation they had received during the season. Coach Gus Miller announced the co-captains which had been elected by members of the squad. He was high in his praise of the fine spirit which had existed throughout the season. The team lost only two of nine games on the schedule.

Coach Miller stated there was something more to victory than the score. Physical fitness counts in either peace or war. Victory comes in doing your best at all times. Victory comes for the school when boys return from lives of usefulness in their communities.

Registered Men Must Carry Cards Selective Service

All men of military age are advised by Selective Service that they must carry their registration cards at all times. Those who change their addresses must promptly notify their local boards of such changes.

According to national headquarters, Manpower Commissioner Paul McNutt is having a study made of "replacable men." Men of military age who are engaged in industries in which they are now declared essential, but who may be replaced by older men or by women will be called into the armed forces in the immediate future.

A careful study of farmer manpower has been ordered of all boards. A formula has been set up indicating the manpower which will be necessary to carry on operations.

Harvard Library Buys Files of Historical Review

Files of the Panhandle-Plains Historical Review have been purchased by the Harvard College Library of Cambridge, Mass. at a cost of \$100.

"This is certainly a most worthwhile publication and we should like very much to have it in our library," wrote Gertrude M. Shaw of the order department of Harvard's library. "We feel we are fortunate in being able to acquire a complete set of the Review and do not understand how it escaped our attention all these years."

The Review is edited by Dr. L. F. Sheffy for the Panhandle-Plains Historical Society.

A Few ??'s To Ask The Printing Peddler

*When The Peddler Selling Stationery and Printing Supplies
Solicits Your Business There Are a Few Questions Which
He Should Be Willing to Answer to Your Satisfaction.*

Among Them Being:

- ? Does he pay taxes in this community?
- ? Does he donate space in his newspaper to your local community enterprises?
- ? Does he pay wages to a force of employees located in this City, County, or State?
- ? Does his paper devote its entire space toward the betterment and upbuilding of this community?
- ? Does he grant you every favor that you would ordinarily ask of a local newspaper?
- ? Does the quality of his merchandise stand inspection—is it on quality paper stock and the printed matter attractively arranged?
- ? Will he submit proof of your work before finishing and mailing it to you C. O. D.?
- ? Does his price include postage and insurance charges?
- ? Can he supply your order on short notice?

If he can answer all the questions in the affirmative, he is entitled to your business.

Official Attends Austin Meeting

Texas Instructors Adopt Schools and War Theme

Having left for Austin late yesterday evening, Superintendent J. B. Speer plans to attend the Tenth Annual Mid-Winter Conference of Texas School Executives, to be held January 7 and 8.

Under the direction of Dr. L. A. Woods, State Superintendent of Public Instruction, the theme of the meeting, "Education for the War Effort," will be presented. Such topics as "What can and should schools do to prepare youth to take their places in the armed forces of the country?" and "What can and should schools do to stimulate, encourage, and assist in the production and conservation of food for the emergency?" are planned.

"This is truly to be a meeting on war effort for the schools, and I intend to find out more on the Victory Corps especially to aid our own war program," said Mr. Speer.

Boys Will Receive Special Training

Giving teen-age boys an opportunity for specialized training in aeronautics, W. M. Teague, enlisted 15 Canyon High School boys in the Air Scouts of America, one of the three branches of the Boy Scouts of America.

"Here is a grand opportunity for boys who hope to enter service in the Air Corps after graduation to receive training while still in high school. We are pleased with the number which is already participating, but we hope that more will join in the near future," commented J. B. Speer, superintendent.

Americans Resolve Loyalty

Perhaps one of the first things that pushes its way into one's mind on January 1 each year is a number of resolutions which may or may not be kept for 12 months.

Last year at this time the nation was recovering from the shock of Pearl Harbor, while this year the nation is beginning to realize that a war is under way all over the world and that we are in the middle of it.

Why not endeavor to keep one or two of these resolutions that may affect the entire world at some time?

1. Resolve to buy more War Bonds and Stamps.

2. Resolve to accept willingly, excluding any COMPLAINING, the rules concerning rationing and taxes of the present or those which may be set in the future by OUR government.

3. Resolve to KEEP YOUR MOUTH SHUT concerning any military information about your friends, relatives, or acquaintances in the armed forces of the Allies in any form of conversation.

4. Resolve to do your part, regardless of the size or kind of job, to help the war effort—that includes students who do their part by attending school. After all, someone will have to help reconstruct a war-torn world after armistice.

5. Resolve to make new friends old ones before the new year is old.

Eagle Group Loses Repeated Clash

Clashing with the Civil Pilot Training team for the second time, Wednesday night, in Burton Gymnasium, the Canyon Eagles were defeated by a final score of 39-40.

Gradually climbing up to their opponents' lead, the Canyonites tightened up during the last half, ending the game with a tragical one-point trailing tally.

Chic Wirt was high point man, making 10 points while Speedy Wright ranked next with 8 points to his credit.

Max Bosley, Calvin Sanders, J. Spencer Winn, Speedy, Chic and the substitutes, George Black and Bobbie Dowd, will encounter Coach Lieutenant Reeves Donnell's military team again next week.

"It was a good game, and engaging in such scrimmages is good practice for the boys since we are planning to attend the invitation tournament at Stratford, January 15-16. The team seems to be in good shape after the Christmas holidays," commented Coach Milton Sanders.

Ex-Students Test Eagles' Ability

In an overwhelming triumph the Canyon Eagles axed the exes 39-14, Friday. Having scored first, the Eagles gradually widened their lead with a series of repeated field goals and free shots.

While the game was only moderately fast, it was interesting because of the variety of new talent shown on both teams. Almost every basket in the Eagle line-up tried his skill at one time or another.

Six ex-student challengers were: Hud Prichard, Bob Ziegler, E. F. Hicks, Stuart Condron, Frank and Grant Sharman.

Absence of Calvin Sanders, usually a high scorer in the Eagle quintet, did not seem to phase the other high schoolers.

Leading the Canyon cagemen was center Chic Wirt, who was responsible for nine of the Eagles' thirty-nine points.

Hud Prichard, guard on the ex-student squad, basketed five points, making him high point man.

New School Colors—Black and Blue

"Bam! Bang! Ouch my b-back!"

Such were cries as members of the Senior Class skated, played "flying dutchman," and mopped the floor in places without mops, Thursday evening for their New Year's watch party.

Claiming top honors in the falling department were Clifford Abbott, Joe Ziegler, and Elwyn Morton.

After sampling candy and ice cream, the group journeyed to see the midnight show, "The Boogie Man Will Get You."

Class Will Select Senior Drama

Senior class sponsor, Mrs. Guy B. Tabor, has sent for trial copies of the plays "Aunt Susie Shoots the Works" and "Aunt Tillie Goes to Town," from which the class will select one to present some time in February.

"Aunt Tillie Goes to Town" is a comedy, while the other "Aunt" play is a mystery-comedy. Both plays feature four boys and seven girls.

"If the books arrive in time, I hope to cast it the last week in January and begin practice soon thereafter," affirms Mrs. Tabor.

Student Law Makers of Canyon High

As advisors with administrative forces of Canyon High School, these class delegates, members of the Student-Faculty Congress, assist in deciding major problems, plan assembly programs, and sponsor activities.

For their scholarship, citizenship, and leadership including such quali-

ties as loyalty, self-sacrifice, self-confidence, congeniality, creative ability, and sense of humor, these students carry their portion of enforcing school laws.

As pictured above, the delegates are: Seated, Secretary Shirley Harrell, senior; President Dick Woods, senior; Vice-President Polly Winstead, senior.

Standing Earlene Davis and Easton Wall, seventh grade; Doris Ruth Meadows, freshman; J. Spencer Winn and Margaret Lair, sophomores; and James Guthrie and Charles Evans, eighth graders.

Neither of the Junior Class representatives, Frankie Phillips and Lynelle Roach, was present at the meeting.

Santa Refuses 'C' Cards

"Dear Santa, I would like a 'C' card for a week."

But despite their urgent prayers, Mrs. Guy B. Tabor, Mrs. J. W. Kleinschmidt, Mrs. Roscoe Davis, Miss Elva Pronabarger, Miss Sarah Thompson, Miss Florence McMurry, Mrs. Hosea Foster, Mrs. James Jennings, Superintendent J. B. Speer, Mrs. John Davis, Mrs. A. K. Goodman, and Mrs. R. E. Harter, teachers, stayed at home during the Christmas holidays.

While Miss Myrtle Hall visited her parents in Hedley; Mrs. T. W. Collins traveled to Priona and Amarillo, Miss Rhita Jean Sullivan went to Stamford where she saw her brother, Milton Sanders visited his mother-in-law in Levelland.

Miss Mary Roberts visited relatives and friends in Amarillo and other cities; Miss Mildred Cole spent the holidays in Pampa; Mrs. Corrah Lee Braudt saw her husband in Shamrock; and Mrs. M. S. Bishir enjoyed Christmas dinner at Tulla.

"My traveling is over for the duration," said Mrs. Stella Murrell, "because the train was so crowded that I had to stand up almost all the way to Pampa, where I spent the Christmas holidays."

Touring the farthest distance of all, Mrs. L. M. Cousins had a pleasant and uncrowded journey to Billings, Montana, where she saw her granddaughter for the first time.

Murrell Composes Food Unit Precis

After completing a unit of class work on foods, clothing, and shelter for her pupils a few years ago, Mrs. Stella Murrell, second grade teacher, wrote a precis, on the Pure Foods Store Unit and submitted the story, together with some pictures, to the Grade Teachers National Professional Magazine.

At last her fame was recognized when the company published the story, "The Pure Foods Store and the Making of a Play House," in the January, 1943 issue of the magazine.

Chief topics included accounts of the unit, and three pictures illustrated the themes. With the construction of a small play house-store, pupils realized the full significance of the studies. Richard Walters, James Inman, Dick Barrett, Easton Wall, and Harry Campfield, present seventh graders, are seen in the views of the store and the class at work.

"I sent the accounts of the units in so many years ago that I had forgotten it, so I had a real surprise when I read the magazine," said Mrs. Murrell as she tried to keep her happy blushes from showing.

Senior Class Gives Dr. I. Q. Program

After Dick Woods, president of the Student-Faculty Congress, directs the pledge of allegiance tomorrow in assembly, Polly Winstead, newly-elected vice-president, will present the program.

To open the presentation, Reverend Joe Findley, pastor of the local Christian Church, will give a three-minute devotional.

Lila Mae Lill, leading the program and posing as "Dr. I. Q.," will station eight seniors—Evelyn McClendon, Peggy Harding, Barbara Michael, Arthur Duncan, Elwyn Morton, Tommie Lou Ford, Mattie Garrison, and Martha Hannah Hammond—in the auditorium to assist her in the quiz program.

Supervising the presentation of prizes of interest to everyone, Lila Mae, from the stage, will ask questions that only intellectual or resourceful students and teachers may answer.

"This program presented by the seniors is the first of a series of programs to be given by the different classes," commented Polly.

Fairer Sex Plays Rival Basketball

Ending basketball practice, girls in the second period physical education class competed in rival games last week.

Three groups were organized and the second group, captained by Dorothy Graves, was victorious. Doris Figer led the first team, while Betty Brown guided the third group.

Outstanding players from the three teams, chosen by the class, were Evelyn Garrison, Dorothy Graves, Pauline Ruthardt, Doris Meadows, Rowena Jones, and Margaret Chain. Tying for seventh place were Betty Roland and Betty Jo Goettsch.

Miss Helen Whiteside, physical education instructor, supervised all activities, and intends to have more intramural events during the year.

First Aiders Voice Objections to Aid

"Ouch!" "You're hurting me!"

"What if I were injured?"

These vociferous comments come from the second-year homemaking girls who are studying First Aid under the supervision of Miss Kathryn Phillips.

Well-worn bandages and old compresses are strewn over tables by some students while others struggle over digital pressure points and the tactics of artificial respiration.

"If both teachers and students have relapses before the course is over, it won't be really surprising, for the teachers probably have a hard time teaching the pupils, and the pupils—well, most are worried about the old problem—grades," said an anonymous student.

"Road to Morocco" with Bing Crosby, Bob Hope, Dorothy Lamour, March of Time, "Navy and the Nation," Donald Duck Gets Drafted, and the latest News direct from New York—all in one program at the Olympic, Sat. midnight, Sunday, and Monday.

Officials Award Special Rating

Judges Criticize Style and News Stories of Papers

With an All-Texas rating in the Page-in-Local-Paper division of the Texas High School Press Association contest held December 11, The Eagle's Tale repeated its victory of last year in the Texas State College for Women's competition.

Weslaco Hi-Life repeated its last year's victory with a first place title again this year. The Pampa Junior High Reaper and The Tulla Hornet were also awarded All-Texas ratings in this division.

First Place Winners Honored

Other first place winners in the various divisions were the Abilene High Battery in the Class A Bi-Weeklies, Newman High's Pony Express in Class B Bi-Weeklies, The Western World of Lubbock in the Weekly Division and Falfurrias High School's Heart's Delight, in the Mimeographed Papers Division.

Major criticism of the school papers entered was a weakness in style and news story leads, while some papers were degraded by judges because of failure to follow a fixed plan for capitalization in headlines and other style rulings. Also noted was the too frequent burying of leads in the body of the story.

War Time Jobs Complimented

High school newspapers all over the state are doing a surprisingly good war time job according to judges in the journalism contest.

Representatives or officers did not attend the contest as is customary because of gasoline rationing, but entries were sent to the college and judged for improvements in style.

Texas High School Press Association notes that the end of this contest marks only the beginning of this year's high school journalism work.

As a token of respect to a formerly active student of Canyon High School who bravely fought for the freedom of our nation, The Eagle's Tale staff and sponsor dedicate this space as a memorial of appreciation to Sailor Jack Farley, who was recently reported missing in action.

Jack, a former member of the Senior Class, was a superior player on both the basketball and football teams of Canyon High, a Junior Who's Who delegate, and twice vice-president of his class. The newly organized manual arts department claims him as its first vice-president, as well as delegate to their state rally.

He was the son of Mr. and Mrs. T. D. Farley of Canyon and brother of Charley Farley and Ermin Wingham, students in high school, and Denver Farley, an ex-student in the navy.

Substitutes Guide Students' Study

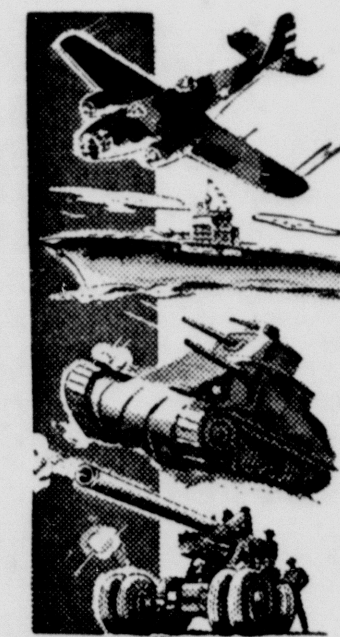

In the vacancy of Miss Grace Clark, who is ill, Mrs. Hosea Foster is teaching mathematics classes.

Mrs. Carol Whippo substituted for Mrs. Corrah Lee Braudt three days last week.

Nursery School Develops Tots

Emotional Attitudes Are
Featured—May Become
Habits of a Lifetime

Two, three, and four-year-old children do a lot of growing both mentally and physically—possibly at a greater speed than they will ever grow afterward, at the Amarillo Center Nursery School of W. T.

At nursery school children learn to be as self-reliant as they should be at their age. They learn to get along with other children. They develop habits of health and cleanliness. They assume emotional attitudes, some of which will persist through life. Loyalties are formed in ideals and friendships with those children their own age who understand them better than most adults. The nursery school is prepared to help by providing young children with surroundings that insure their physical safety and health, with materials of great variety to stimulate their growth and add to their knowledge. The understanding guidance of the teacher allows children to develop as individuals.

Problems of the children are dis-

cussed with other children and adults. Puzzling thoughts and misleading ideas are straightened out, not only with children but in conferences with adults, thus liberating the children from unnecessary fears which would likely hinder them in maturing into wholesome adults.

Weekly meetings help parents to visualize more clearly what children should be able to accomplish, what they are actually doing, how they are growing, and what hopes they can look forward to for their children's future.

Children enrolled as of December 15, 1942, were Karen Blackburn, Claudia Marie Carr, Charles Culp, Julie Haddon, Harriett Hatch, Whittenburg Hawks, Johnny Oakes, Terry Puckett, Jean Scott, and Evelyn Whittenburg.

Fairview Breezes

Rev. Lloyd Garrison filled his regular appointment Sunday morning and night.

S. F. Sharpes is quite sick at this writing. He was taken to the Veterans Hospital in Amarillo Saturday.

Mrs. G. E. Wesley and Woodrow Tucker and Doyle Jean Shipman are all on the sick list.

The New Year's party in the Serena Bryan home Friday night was enjoyed by a large crowd. Six games of progressive "42" was enjoyed. High score was won by Mrs. L. H. Barnard and Dell Zachry, and low score by Mrs. Dell Zachry and Priest Rogers. Cookies and apples were served to the crowd by the hostess.

Priest Rogers from Abilene has a two-weeks furlough and is visiting with his mother and other relatives in this community.

Mr. and Mrs. E. E. Wesley and Barbara Gail visited Friday in the J. W. Wesley home. Arlen Ray returned home with them and will enter school Monday.

Mr. and Mrs. L. H. Barnard and children and Mr. and Mrs. E. M. Wilson and children were dinner guests in the Aunt Lela Rogers home Sunday.

Clyemna Belle Wesley moved to Happy Saturday after spending the holidays in this vicinity.

Nine Little Dependents Left Behind

When papa Evan I. Wenrich, Jefferson Township, Pa., signed up with the Navy Seabees, he left nine little kiddies at home. Their ages are 2, 3, 5, 6, 7, 9, 10, 11 and 12. As a first-class fireman, Wenrich, 34 years old, receives \$78 a month, of which \$22 goes to his wife, Margaret, second from right. Under new dependency rates, she will receive a total of \$120 a month. The family is shown in front of their 1½-story frame dwelling, on the 80-acre farm of Wenrich's mother.

Forbus Given Pair of Honors

W. T. Guard Named on
All-Conference and Altern-
ate All-America

Joed Forbus, Buffalo Co-Captain, received two honors during the holidays for his outstanding work on the Buffalo football team last season. He was named on the Border Conference first team as a guard in the All-Conference selections announced by Dr. E. L. Larson, circuit commissioner.

A second honor was given the Buffalo star by Paul B. Williamson, national football expert. Williamson placed Forbus on his alternate All-America team as a result of a poll made of 300 colleges.

Other players listed on the Border Conference team were: Fred Salem of Texas Mines, end; Rex Dempsey, New Mexico Aggies, end; Jack Irish, Arizona, tackle; Ed Sprinkle, Hardin Simmons, tackle; Bill Thompson, New Mexico, guard; Muri McCain, Arizona, center; J. C. Callahan, Texas Tech, back; Rudy Mobley, Hardin Simmons, back; Bob Ruman, Arizona, back; and Walter Schlenkman, Texas Tech, back.

Named with Forbus on the alternate All-American team was Odell of East Texas State, a tackle.

The Williamson ranking means that Forbus was rated as one of the very best guards among the nation's colleges.

College Now Has Air Laboratory

Dismantled Trainer
Plane Is Newest
Equipment Addition

The arrival of a training plane with the wings dismantled last week-end comes near completing the well equipped aeronautics laboratory for the C.A.A. War Training Service at West Texas State College. The light trainer, similar to those used by fliers taking the W.T.S. flying courses, was complete with instruments and would fly if assembled, reported Dr. S. H. Condron, C.A.A. Co-ordinator for the College.

More than \$500 has been invested in equipment to furnish this air laboratory. Equipment includes navigation computers, Aneroid barometers, mercury barometers, sexun dial, and other various plane instruments besides those on the trainer plane just purchased.

In three complete sets of Pilot Training projection slides are 1742 pictures valuable in teaching aeronautics.

Formerly West Texas State Col-

lege trained both Army and Navy students in the old C.P.T. program which has now been changed to the C.A.A. War Training Service. The current courses will be completed Jan. 16. Thereafter only Naval Cadets will be trained by the College. Dr. Condron expected the present

quota of 10 students to be materially increased. He also reported that the college plans to continue the flight training of students who are taking the course in 16 weeks as extra-curricular work, if the Navy desires to continue this course after completion of the current one.

NEW DISCOVERY

GIVES DEEPER
SLEEPING COMFORT
AND
LONGER WEAR

THE MATTRESS WITH THE
**QUILTED
HEART**

THE TAYLOR-MADE

MORNING GLORY All-Cotton MATTRESS

The Vital Third!

At the hip line where the body rests heaviest on any mattress, extra strength is needed to insure long wear. Extra body support is needed to permit perfect relaxation of every muscle. At the "vital third" of any mattress the new Taylor-Made All-Cotton Morning Glory has a quilted crown or "heart" that gives extra strength and extra support.

1. Made of 100% new all staple cotton layer-bill felt.
2. Has lovely pre-built borders for extra beauty and strength.
3. Covered hand grips make mattresses easy to handle and turn.
4. Smooth, tuftless surface is easy to keep clean, gives extra comfort.
5. Available in your choice of fancy tickings in pastel shades to match your favorite color scheme, and in standard blue and white ticking.
6. Good for a lifetime of comfort under ordinary usage.

A specially designed quilted crown, inserted between layers of all-staple cotton, gives strength where it is needed, support where the body rests heaviest, extra material where wear is greatest. The new deluxe Morning Glory with the "quilted heart" is the last word in comfort and long life. It is the mattress that will help you have that "wake up and sing" feeling every morning—yet it doesn't use a single ounce of needed war materials.

FOUR DELIVERIES DAILY

Tulia Pastor Spoke at Rotary Luncheon Tuesday at Noon

Rev. P. E. Yarbrough, pastor of the Tulia Methodist Church, spoke at the Rotary Club luncheon Tuesday. He was introduced by Rev. C. C. Armstrong, who was in charge of the program.

There will be no luncheon of the club next Tuesday as Rotary Ann night will be observed on Friday, Jan. 15 at 7:30 o'clock.

Rev. Yarbrough brought greetings from the Kiwanis Club of Tulia, and acknowledged the programs which had been put on by Canyon Rotarians.

The speaker referred to the unnecessary confusion which existed today because of the war. "What shall I preach," asked a young minister after Pearl Harbor. The speaker responded, "Preach the truth." While these are dark days, out of

the chaos will come a brighter and better world, believes the pastor.

America was founded by men who sought religious freedom; in 1860 a man dreamed of freeing the bodies of men from slavery; since then there have been dreams of freedom of property; freedom of intellect; freedom of war.

Illustrations were given to show how religion has had its effect upon the lives of men.

While condemning the Axis and what they were trying to do, the speaker asked that we look at the other side and inspect the sins of our Allies. Poland has persecuted the Jews; France was weakened by internal selfishness; England has exploited various peoples; and the United States has been known for its ego. We exploited China by selling oil and scrap iron to Japan in spite of the protests of our Chinese friends.

America should be repentant today; no nation can be strong until we show our faith in God.

John McCarty of Amarillo was a visitor of the Club.

One of Texas' oldest counties is Bexar County, which was created in 1836 and organized the following year.

One of Texas' most fertile counties, Brazos County produces almost 11,000 bales of cotton annually.

Uncle Sam Made Pants Too Long

Private Irving Goldstein, who hails from Detroit, lost his pants during the 11-day battle with Japs at Buna, so he grabbed the first pair handy when he got back to headquarters. He's sorry now. The pants, but definitely, are too long.
